WORK PLAN APPROVAL - SHALLOW SOIL RESPONSE PLAN, BOEING REALTY CORPORATION, FORMER C-6 FACILITY, 19502 SOUTH NORMANDIE AVENUE, TORRANCE (SLIC NO. 410)

Dear Mr. Mossman:

We have received the "Shallow Soil Impacts Discovery Response Plan" (Plan) dated December 13, 2004, prepared by Haley & Aldrich. The Regional Board granted no further action for soils at Parcel C on December 6, 2002. Redevelopment activities such as site grading and utility and building footing excavations will be conducted beginning this year. The Plan presents the rationale and procedures for characterizing any previously unknown shallow soil impacts discovered during redevelopment activities.

We have reviewed the Plan and approve its implementation. Please call Mr. John Geroch at (213) 576-6737, or Dr. Rebecca Chou at (213) 576-6733 if you have any questions.

Sincerely,

John Geroch
Associate Engineering Geologist
